STATEMENT OF ADMINISTRATION POLICY

H.R. 7726 – Stop Child Care Scams Act of 2026

(Rep. Miller, R-IL)

The Administration strongly supports passage of H.R. 7726, the Stop Child Care Scams Act of 2026. Recent cases of fraud in federally-funded, state-administered child care programs in Minnesota and other States have made clear that federally-funded child care programs need stronger oversight and greater accountability. H.R. 7726 would tighten State reporting and audit requirements; impose mandatory penalties and sanctions when States are not compliant with Federal requirements; eliminate States' ability to request waiver of sanctions when fraud, waste, and abuse is found; allow permanent bans of fraudulent providers from certain Federal programs; and allow money to be withheld from States that fail to address fraud, waste, and abuse.

President Trump is dedicated to combating fraud across the Federal Government and has already taken steps to eliminate child care program fraud, waste, and abuse by closing loopholes created by the previous Administration. As part of this effort, on March 16, 2026, the Administration issued Executive Order 14395, "Establishing the Task Force to Eliminate Fraud" to launch the Administration's war on fraud in Federal Government programs. The bill would further strengthen oversight of and prevent fraud, waste, and abuse in child care programs and ensure that Federal dollars are used to help eligible American families.

If H.R. 7726 were presented to the President, his advisors would recommend that he sign it into law.
