STATEMENT OF ADMINISTRATION POLICY

H.R. 8464 – Stopping Fraudulent Payments Act
(Rep. Comer, R-KY, and two cosponsors)

The Administration supports the passage of H.R. 8464, the Stopping Fraudulent Payments Act. This bill complements current payment verification efforts underway at the Department of the Treasury in support of President Trump's Executive Order 14249, *Protecting America's Bank Account Against Fraud, Waste, and Abuse*. By requiring agencies to take corrective actions if there is an identified risk of fraud or improper payments, this bill safeguards American taxpayers against fraud, waste, and abuse. Building on H.R. 8464, the Administration looks forward to working with Congress on future legislation to provide agencies with further fiscal authorities to combat fraud and improper payments, modernize and integrate Federal payment systems, and improve agencies' access to timely information from States in order to strengthen fraud and improper payment detection.

If H.R. 8464 were presented to the President in its current form, his senior advisors would recommend that he sign it into law.
